***Titanic Branson to Welcome
British Automotive Royalty***

***Greater Ozarks British Motoring Club Rolls Out
the Classics For Free, Two-Day Event***

Branson, MO, March 5, 2009 - The British are coming! The British are coming! The Jaguars, MGA's, MGB's, Austin Healey's - the great, glamorous, fun-cars from the 50's to the present are coming to the Titanic Museum Attraction's parking lot, announces Titanic owner, John Joslyn. These rare classics will be on public display on Friday, April 10th and Saturday, April 11th from 9 a.m. to 5 p.m each day.

“This is a unique opportunity for many people to get their first close-up look some of the great British motor cars that drove Americans wild following World War II.” Joslyn says. “ I'll never forget my first experience behind the wheel of an MGB back in the 70's, it thrills me just to think about it today. There'll be one on our lot and I can't wait to check her out.”

The Greater Ozarks British Motoring Club (GOBMC) is a group of British car enthusiast from Missouri who will be celebrating their 10th anniversary at the annual GOBMC All British Car and Cycle Blowout on the Square in historic Carthage, Missouri on July 24th through the 26th.

This two-day, free family event is part of the Titanic Museum Attraction's community commitment - to inform, enlighten and entertain.

The World's Largest TITANIC Museum Attraction is Branson, Missouri's #1 year-round family attraction. In operation for almost three years, it has welcomed aboard more than 1,200,000 guests. The 7,000 -square-foot ship-shaped structure - built half-scale to the original Titanic - towers more than 100-feet above its anchored position on Highway 76. A 90-minute self-guided or optional audio tour covers 20 galleries on two decks displaying more than 400 priceless artifacts that once belonged to Titanic passengers or crew.

Titanic-World's Largest Museum Attraction
