## **NEW – ORDER INDIVIDUAL AUDIO PLAYERS FOR YOUR GUEST**

Thrill your guests to the voices of actual Titanic survivors as they tell what it was like aboard ship. Our individual audio players allow guests to listen to survivor recordings made by Titanic owner John Joslyn for his 1987 Titanic television special. Those who have toured with an audio player say it enhanced their experience and is a real “must!” To sample the audio intro, visit our website: [www.titanicbranson.com](http://www.titanicbranson.com)
